1. See comment description regarding minor course change. Minor changes are sent directly from dean’s office to Senate Council Chair. If Chair deems the change as “not minor,” the form will be sent to appropriate academic Council for normal processing and contact person is informed.
2. Courses are typically made effective for the semester following approval. No course will be made effective until all approvals are received.
3. Signature of the chair of the cross-listing department is required on the Signature Routing Log.
4. Removing a cross-listing does not drop the other course – it merely unlinks the two courses.
5. Generally, undergrad courses are developed such that one semester hr of credit represents 1 hr of classroom meeting per wk for a semester, exclusive of any lab meeting. Lab meeting generally represents at least two hrs per wk for a semester for 1 credit hour. (See SR 5.2.1.)
