Assistant Professor
Department of Kinesiology / Department of Orthopedics and Rehabilitation

Position: The University of Wisconsin-Madison invites applications for a tenure-track Assistant Professor position in the Departments of Kinesiology, and Orthopedics and Rehabilitation. This position is a joint hire by the Kinesiology Department (70%) and the Orthopedics and Rehabilitation Department (30%). We seek a certified athletic trainer with research interests in an area that complements existing research strengths in both departments and will support our Athletic Training Education Program.

Duties: 1. Develop and maintain a high quality, externally funded, independent research program that complements the existing areas of expertise in the Kinesiology Department (Physical Activity Epidemiology, Exercise Psychology, Biomechanics, Motor Control, and Exercise Physiology) and Orthopedics and Rehabilitation Department, particularly in the field of sports medicine research.
2. Teach undergraduate and graduate students in the Department of Kinesiology (CAATE undergraduate program).
3. Advise undergraduate and graduate students, residents, and fellows.
4. Fulfill service expectations at the departmental, campus, and national levels.

Appointment: Academic (9 months), full-time, tenure-track, starting August 2010

Qualifications: Earned doctorate by start date required.

Relevant Work Experience:
1. Post doctoral research experience preferred.
2. Background in sports medicine research preferred.
3. Record of publication in high quality refereed scientific journals preferred.
4. Record of or potential for extramural research support preferred.
5. Ability to teach and mentor a diverse population of undergraduate and graduate students.

University Description: The University of Wisconsin-Madison, founded in 1848, occupies a nearly 1,000 acre campus located on the southern shore of Lake Mendota one mile from the State Capitol in the center of the Madison. This public, land-grant university currently enrolls over 42,000 students, including nearly 9,000 graduate students. The University is consistently rated as one of the top 10 universities in the nation in overall teaching and research excellence, having the highest non-federal and 5th largest federal research funding of all public universities in the country.

Application Procedures: Please send a letter of application including a statement of research interests, CV, up to three representative reprints, and contact information for three references. Applications should be submitted by January 19, 2010 to the search committee c/o Dr. Kreg Gruben, Univ. of Wisconsin, Dept. of Kinesiology, 2000 Observatory Dr., Madison, WI 53706. We encourage the submission of all materials electronically in pdf or Word format to: kggruben@wisc.edu.

UW-Madison is an equal opportunity/affirmative action employer. We promote excellence through diversity and encourage all qualified individuals to apply. Unless confidentiality is requested in writing, information regarding the applicants must be released upon request. Finalists cannot be guaranteed confidentiality.
